## The Climb VR Game Download

# [Download](#)

Feel your grip, rock for the next capture and rise to new heights in The Climb 2, now with new . The game is designed for smartphones and tablets running iOS (iPad, iPhone, iPod), Windows and Android. As in the first part, here you will climb rocks, cling to ledges, and pass obstacles. All this fully reproduces the atmosphere and sensations of a real climber. If you are a fan of this sport, then you just need to try this. In this game you have to go through a series of exciting levels, each of which is unique and unlike the other.
