A .Do you have an empty space that you've been dying to fill with something? I didn't have a picture frame available for the family photos I wanted to use so I bought some cheap frames online. Once I got them home, I set about decorating. I made a piece of mat board with a picture of the main people in the family on it. The mat board was cut to size for the frames and then the frames were put in place. This is what it looks like. For
