Samoš is a village and municipality in the Nitra District in western central Slovakia, in the Nitra Region. Geography The village lies at an altitude of 197 metres and covers an area of 15.121 km². It has a population of about 1953 people. History In historical records the village was first mentioned in 1290. References Category: Villages and municipalities in Nitra District Category: Šariš

California - The state of the state is the other way round. At least when it comes to the state's ability to conduct and tolerate transactions. While California's new electronic tax exchange E-File is finally becoming operational, it has been stuck in the application processing mode since a few weeks ago. To add to the state of affairs, California is in the midst of hiring new IT professionals to do
