A new fantasy action RPG from NIS America, Inc. Winner of the highly coveted Golden Joystick Award for Best RPG. A new fantasy action RPG for the PlayStation 4. [About the Game] After a long, arduous journey, Calandra has finally arrived in the Lands Between, the material plane where the Elder Scrolls games take place. Heading north to the mountain of E'olsan to seek the answers to the troubling dreams that plague him, he encounters a strange group of travelers waiting for his arrival. They claim to be Elden Lords of the lands, so the answer to his questions is said to be at their final destination. As it turns out, the Elden Ring Serial Key is the destiny that awaits you. The powerful magic needed to ascend to an Elden Lord, the ancient blade forged by the Elden Throne, and even the magical weapons used for combat. Surrounding your progress and guiding you on this journey are the four Elden Lords and the Saathi in charge of the Elden Ring Download With Full Crack, who listen to your prayers and protect you as your allies in this difficult quest. You'll be able to familiarize yourself with this story through the characters, quests, and events at the game's hub town, Oakhurst. [Key Features] - A massive story The entire story is modeled on the style of a traditional fantasy novel, with 3D graphics and dynamic events and characters. • Various Diversions to give you more fun In addition to the story, you'll find exciting and more diversions to give you the ultimate RPG experience. - Multiplayer Games The multiplayer mode allows you to travel together with other players to dungeons in the world, or to meet with them at various points in the story to hear about their experiences. - Death Saving Trait systems enable you to perform death saving, giving you a chance to come back to life if you die. When death saving is in effect, all your gear and abilities remain, and you can also perform a death save when a particular character is in danger of death. - Daily Quests The game features quests that are generated daily. Whenever you log in, you can accept the quests that have been set for the day, even before you reach your first town, allowing you to enjoy this fantasy adventure even more. - Crafting Items An in-game marketplace enables you to trade items to other players, and you can even create items that you can

Close the gap between women in science, technology, engineering, and math (STEM) fields and the number of women in these fields: Make it mandatory for all U.S. employers to track gender pay inequities in their workplaces. This week, the House of Representatives passed two bills that would prohibit businesses with federal contracts from discriminating against employees on the basis of their gender identity and a third bill that would bar the U.S. government from requiring companies with federal contracts to report how they compensate employees based on their gender identity. The first of these bills is HR 398, The Women's Employment Non-Discrimination Act, which bars federal contractors from refusing to hire people based on their gender identity. This bill also prohibits employers from firing workers based on their gender identity. The second bill is HR 4779, the Equality Act, which, like the bill we passed unanimously in the last Congress, bans employment discrimination based on gender identity. And the third bill is H.R. 676, the Workplace Non-Discrimination Act, which prevents the federal government from requiring federal contractors to report how they compensate employees based on their gender
