Play video EA SPORTS has announced that FIFA 21 captures more than three times as many animations as FIFA 20. In terms of action variety, FIFA 21 has more crowd behaviour, crowd behaviour animations and all-new injury effects. It also enhances the variety and realism of goal celebrations, game-changing moments and player traits. There's a brand new FOX Engine used to bring the game's game play and animation up to a new level of realism, and with the Dynamic Interactions powered by new physics/AI, players will feel and see the impact of their moves. FIFA 21 is available for Xbox One, PlayStation 4 and PC via Steam. EA SPORTS FIFA 21, the all-new FIFA title, is available for PC, PlayStation 4, Xbox One and Wii U. Read our full EA SPORTS FIFA 21 review. NEWS: FIFA 21's New Engine Generates a Thud of Sound; Game Includes a Line-up of FIFA Star Players including Mbappe, Neymar, Mkhitarian and Pirlo EA SPORTS today released FIFA 21 for Xbox One, PlayStation 4 and PC which is the latest edition of the worldwide football phenomenon, FIFA. It is the first game to release using the new Forza Horizon 4 engine, and also includes new FIFA Ultimate Team Seasons, a new Ultimate Team mode, all-new game modes and a series of gameplay improvements across the board. And this fresh new FIFA features an arsenal of dynamic new plays and never-before-seen sights, along with host of new content and new modes. FIFA 21 also includes all-new customization options for players - including over 28,000 new player body variations. MULTIPLAYER Players can now seamlessly drop-in, drop-out to their FIFA Ultimate Team in the Cloud, no lobbies required, while players can also play in up to 4v4, 5v5 or 7v7 modes with friends via Xbox Live and PlayStation Network. Players will also enjoy a range of new spectator features when watching matches in 4K via the Xbox One X and PlayStation 4 Pro. FIFA Ultimate Team A completely new FIFA Ultimate Team is now available, with all-new cards, all-new stadiums and all-new player kits. The biggest FIFA Ultimate Team update yet will also give players a new way to customize and share their Ultimate Team with friends - by visually updating their player cards with stickers for each week or month
