Smiles vs Ghost game is a mmorpg with funny gameplay, 6 to 10 hours of gameplay and lots of characters. The game will bring you to a universe where everything seems to be ordinary, but every moment is a new adventure. You as a hunter will have to jump into your car and journey through enemy cities while avoiding hitting pedestrians. The game has 6 to 10 levels each having 3 to 8 boss fights (one boss per city). Each level will have 2 portals, one normal and one boss portal. In the normal portals you will jump and collect items along your journey. In the boss portal you will have to face one of the bosses from different "realms".
