It is our mission to provide speedy troubleshooting and complete coverage for new indoor WiFi users with the highest quality of customer service. □TBS□s 1.0□□ music and data network is the fastest growing Internet Access network on the west coast. With over 20 high speed data nodes in California and Nevada, the network is already available in 19 cities in California and is rapidly expanding around the country. Our proven service makes TBS the perfect partner for your Internet access. By seamlessly integrating the TBS service into your existing wireless network, our wireless equipment is permanently installed near your house, office, or business, eliminating the need for you to carry and install a separate base station. And, because the TBS system is set up in your home or business, we provide you with a dedicated TBS phone number for anytime, anywhere Internet

service. For a limited time, receive a free trial of TBS which includes the 1.0 equipment for residential usage only, plus \$10 of prepaid broadband time, and a FREE TBS white glove installation service. Get all the details and read about our amazing installation package here New service allows prepaid broadband customers to make free international calls anytime, anywhere using their TBS phone numbers. Calls are priced at the local rate, so there is no additional charge for calls. Add to that the affordable Talk & Talk+ plans which give you free domestic and international calls each month and you know TBS prepaids are the best way to pay for your broadband. Just like TBS. Just for broadband. Just for good. * TBS music and data service is compatible only with TBS.com customers. * TBS music and data service is a freephone service with minimal call volume and no long distance charges. * May be
