Aflam Parametrer Sen PDF-88a2c7 Karim is
the Arabic version of the name "Karim". It is
a common Arabic name for males. Karim is
also used as a short name for Mohammad.
Karim means?dispenser?. And that is why

Mohammad is called "I-karim" (in Arabic). Karim means?healer?. And that is why Jesus is called "i-karim" (in Arabic). We need to give thanks to Allah for all the miracles in the Qur'an. We need to be grateful for all the blessings of Allah that we have. Let us praise all the Mufasssireen for the Qur'an and for their great knowledge. In a way we need to pray for knowledge for the salvation of our souls. Allah said in the Qur'an, "And we give knowledge (waadimu) to you, so judge between (the conflicting) people by what Allah has sent down." [al-Qur'an 42:14] It is a great thing to be a Mufasssir! It is a great thing to be a Mufasssir! The Qur'an is clearly a revelation from Allah. Its magic effects are so amazing! It is a gift from Allah to mankind. How many of us can read and understand the Qur'an by heart? How many of us can give a logical answer to any question in the Qur'an? How many of us can give a logical answer to any question in the Qur'an? Allah said in the Qur'an, "Verily! We have made the Qur'an easy to understand;

as there is a lesson for a people with fully-developed intellect." [al-Qur'an 16:72]
Muhammad (PBUH) the Messenger of Allah (SAWS), was a human, just like us. He was a human, just like us. He was a Prophet, just like us. He was a Messenger, just like us. He was a Prophet, just like us. He was a Messenger, just like us. He was a Messenger, just like us. He was a Prophet, just like us. He was a Messenger, just like us.
