The world of Cat Quest is a fresh new beginning, a simple place that offers a magical adventure for a cat of any age and experience. In this game, you can download, create, and make your own story! Help your cat with mischief, explore the world with friends, take on quests, and save the Princess in this new kind of adventure. Gameplay: Explore large levels filled with secrets. Collect magical items to upgrade your character. Collect gold and buy items at shops for even more treasures and upgrades. Enemies can be helped by your cat or defeated. Levels get progressively harder, with more enemies, bosses, and items. Many items are hidden throughout the world. Discover the secrets to unlock them all! Achievement System: Each item is worth a certain amount of gold. Earn gold through achievements by playing, earning gifts from vendors and pets, and defeating enemies. Share your progress through Facebook and Twitter. Download the Steam version for even more achievements! We are a small, indie game studio located in beautiful Portland, Oregon. We've been playing and creating games for almost fifteen years. We like to make games that fall in a category we find ourselves in: "Cat Quest".
