New filter: Mention search against book titles - nachiketmr HootSuite now lets you search mentions of specific book titles. eg - search for all the tweets that mention the title of a book by PG that you own. Here is an example: Greenspring</> ===== benwerd I don't like this idea. It's sort of a moving of the responsibility for finding your book in the first place to Twitter. I am okay with giving books away for free. If I have enough time, I'd like to return them to the authors. ~~~ nachiketmr It is not a moving of responsibility at all. Hootsuite has long been a great way to organize your feed and get things done on Twitter. Now this feature makes it even more useful. It just makes finding mentions related to your books even more useful. And book "owners" now feel relieved from even more of the burden of finding their book on Twitter. Thanks for your comment. ----- maxerickson Clickable link: --- nachiketmr Thanks. It is actually embedded search. Hence the %3C / %3E tags. The whole thing is just a snippet on the website: ----- nachiketmr Just want to clarify that the "Angry Birds brand" is not involved in any way. We didn't encourage anyone to mention our game to their friends in any way. The effect of age on the size-selective properties of the glomerular basement membrane. The glomer
